

**Idox. Do more.**

## Idox Insights

# A better way to use data, manage resources and make decisions.

Idox Insights helps local authorities keep track of everything from the big picture to the bottom line without relying on specialist technical skills or complex licences. Our new cloud-based platform connects your data sources to provide analytics and dashboards, empowering you to gain insight into your data and make informed decisions.

### Saas

Subscribe to a complete software solution that's not reliant on in-house developers and allows for quick and easy set up.

### Access pre-built reports and dashboards

Get going quicker with expertly developed reports and dashboards.

### Collaborate with ease

Council-wide access to a central portal, ensuring all reports are easy to find, use and share.

### Share reports with anyone

Share reports across departments and councils without additional costs.
